

A STUDY OF W_6 - K -CONTACT RIEMANNIAN MANIFOLD

S. K. Moindi, G. P. Pokhariyal and D. Kimetto

Abstract

In this paper, W_6 -curvature tensor is studied in K -contact Riemannian manifold. The symmetric, semi-symmetric as well as flatness properties of this tensor are investigated.

Keywords and phrases: W_6 -curvature tensor, K -contact Riemannian manifold, symmetric, semi-symmetric and flatness.
